The Best of Jabiru

Jabiru

Salary Packaging & Tax Benefits

As a not-for-profit organisation we offer salary packaging to all employees*.

You will have access to a salary packaging program to pay for expenses with money from your salary before your tax is taken out.

* T&Cs apply.

Candidate Referral Program

Got a friend or previous work colleague that you think would be a great fit for Jabiru?

Send through their Resume and if they are successful, receive a generous referral program bonus for the great recommendation!*

T&Cs apply.

Paid Training & Uniforms

It's important that our people feel confident and are able to assist when a first aid emergency occurs.

We will pay for your First Aid and CPR Training. We will also pay for your mandatory Blue Card renewals!

For all casual, part-time and full-time employees, you will be provided your Jabiru Uniform Polos, Jabiru Hat and Staff ID.

Health & Wellbeing Support

Jabiru understands that without our people, success would be impossible.

To support our people, we offer our Employee Assistance Program, available 24/7. You will also benefit from access to our Wellbeing Centre through our rewards program, The Nest. Here you will have access to an extensive range of health and fitness programs, recipes, financial wellbeing advice and meditation programs..

Deals On Well Known Brands

We offer access to huge savings through our rewards program, The Nest.

You will have access to offers and savings with more than 300 of your favourite retailers and brands including travel discounts, care hire, fuel, technology, accommodation, groceries and retail discounts.

Outside School Hours Care Discounts

We offer our educators who have their children attending one of our Jabiru services the maximum child-care discount of 95% of the gap fee.

Opportunities To Connect

We create many opportunities for meetings, formally and informally, with all of our staff.

Our CEO leads the way by being a personable, visible leader.

Connection is central to everything we do.

Professional Development

We recognise the importance in being able to provide opportunities for our people to grow, develop their skills and branch out to try new things.

We offer professional development throughout the year and encourage our people at all levels to grow and excel as practitioners and workers in their fields.

Come work with us!
